End of the Year Survey

You will be receiving a link for our end of the year survey. This survey is meant as a tool to receive feedback from our parents to see if we have fulfilled our mission statement and the goals of the preschool. This is also a great time to give us any ideas you have to help improve our program. Please take the time to fill out the online survey. It will take only a few moments and we so appreciate your cooperation!

Thank-you

Love our school? Please leave us a review on Google, Yelp, and our FB page page! We would so appreciate it!!
